

# THE RISE OF TOTALITARIANISM

## The Treaty Of Versailles

The \_\_\_\_\_ Nations created this treaty, and essentially forced it upon \_\_\_\_\_ to end the “War to End All Wars.”

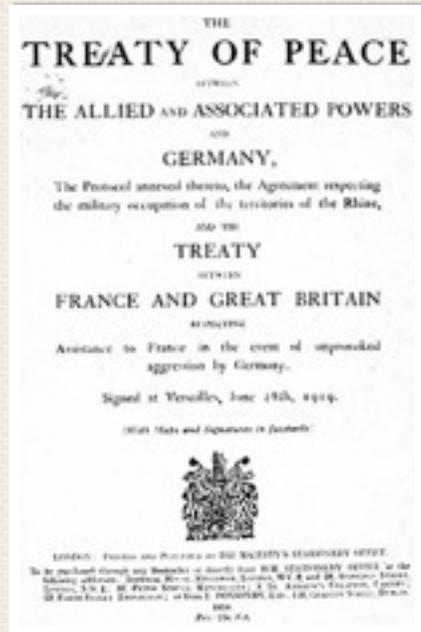

Germany could not adjust anything in the Treaty. It forced them to \_\_\_\_\_ and pay war reparations.

Germany was forced to severely cut back their military forces. In addition they had to give up the following two major areas:

- 1.
- 2.

The Treaty also dissolved the Austria-Hungary Empire, and created several smaller nations.

Italy did not receive \_\_\_\_\_.

## The United States Doesn't Sign Treaty!

The United States did not want to sign the treaty because it wanted to follow a policy of isolationism, which means \_\_\_\_\_.

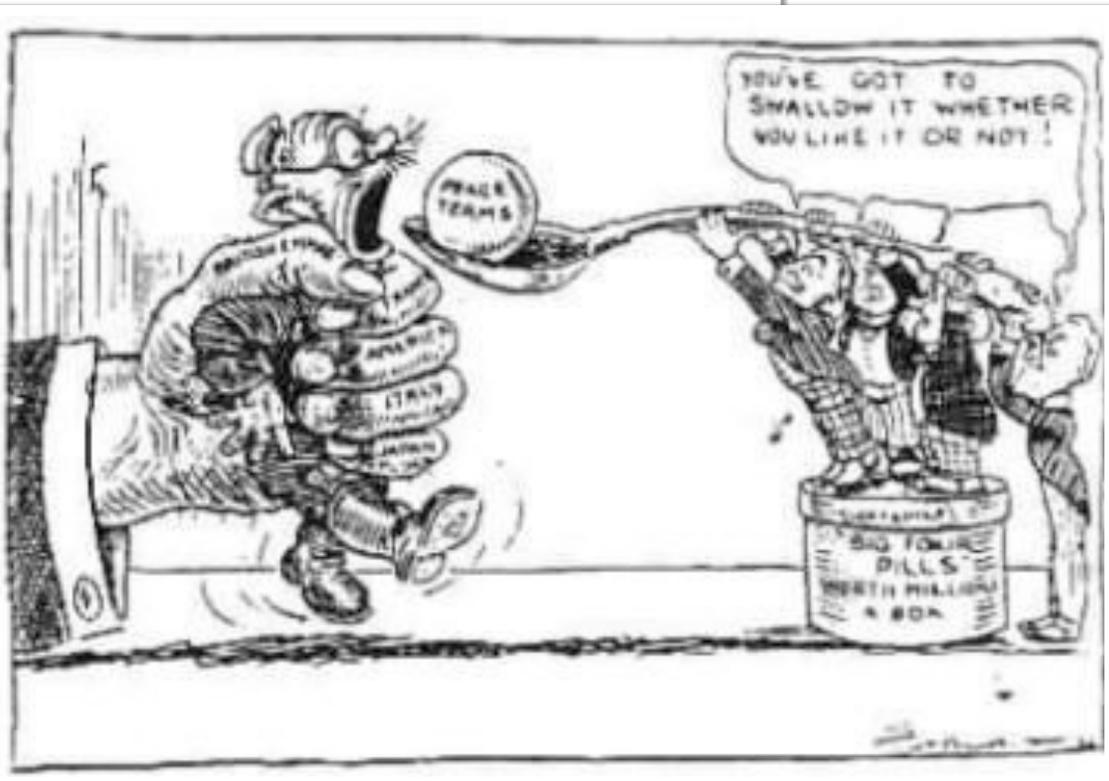

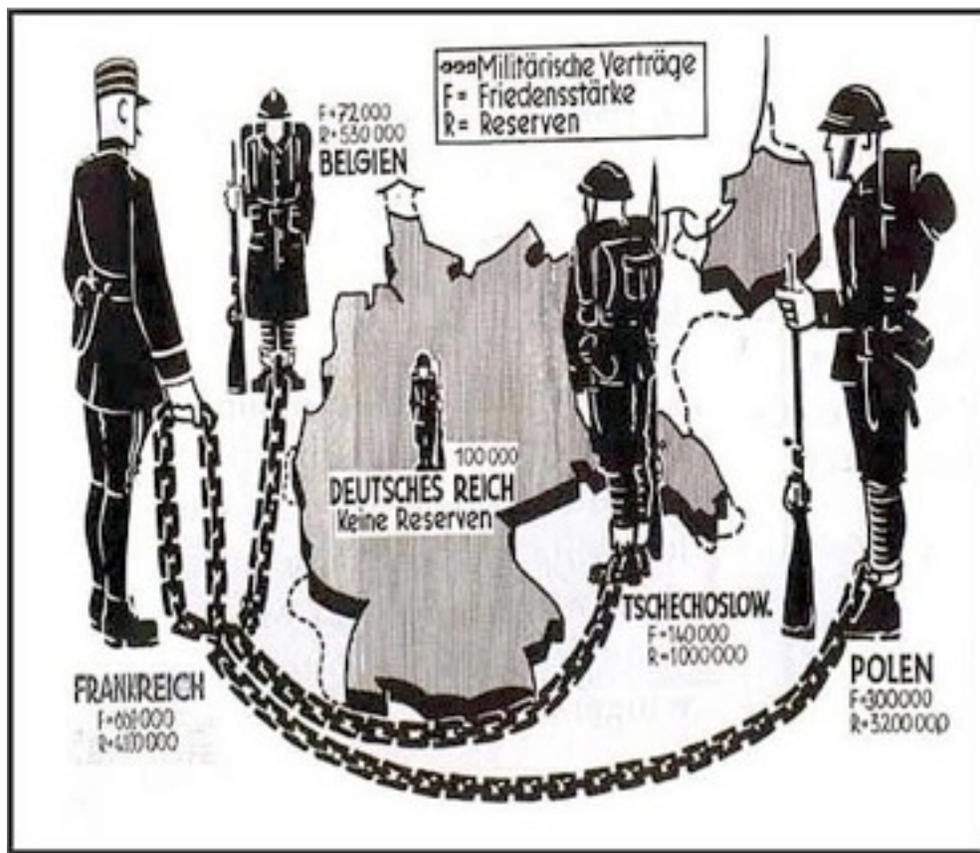

They thought signing it and giving into Woodrow Wilson's fourteenth point to create The League of Nations, which could \_\_\_\_\_.

This loss of land would be important in the future. Do you Believe the Germans were happy with these losses?
